

CAREERS WITH PARALLEL

Advance Your Career.
Answer Your Calling.

CHOOSE THE PARALLEL PATH

Parallel ENT & Allergy's national network of ear, nose, throat, allergy and audiology practices works together, in parallel. Our practices deliver the highest levels of care through shared services and our model for practice excellence.

Parallel's practice excellence begins with every professional on our team. Our quality-focused teams enjoy a collaborative culture that puts the patient first. We are committed to attracting and retaining the industry's best talent — with the highest possible levels of employee satisfaction.

ENJOY A WORLD OF EMPLOYEE BENEFITS

As a member of our team, you will have access to extensive employee perks, including benefit plan options tailored to meet your unique needs, great weekday work schedules and generous paid time off. We understand the importance of maintaining a healthy work/life balance, and we want to ensure that our employees have the resources and support they need to achieve their personal and professional goals.

JOIN OUR GROWING PRACTICE NETWORK

Parallel ENT & Allergy is seeking talent across many levels of ENT, allergy and audiology care. This includes physicians, audiologists, physician assistants, nurses and medical assistants. Residents are encouraged to apply.

ABOUT PARALLEL

Parallel ENT & Allergy is a physician-centric practice management organization. We provide strategic, operational and administrative support, so physicians can spend less time worrying about the business of medicine and more time caring for their patients.
